Eton College is the UK's most famous private boarding school, founded by King Henry VI in 1440.

*At the heart of Eton's values lies the belief that:
"Academic learning alone is not enough.
How our students present ideas, work with others and prepare for new challenges are just as important."*

Simon Henderson, Headmaster, Eton College

Joining EtonX online summer courses enhances academic success and empowers you with soft skills to thrive in today's fast changing world

The EtonX Experience

Knightsbridge Education, in collaboration with EtonX, is offering online **FUTURE SKILLS** and **UNIVERSITY PREPARATION** courses for Grade 9-12 students in Thailand. The EtonX Summer School is not your typical online learning experience. The courses and delivery platform have been designed specifically for interactive online classes, giving you the opportunity to debate, collaborate and socialise with other ambitious students from around the world, directed by EtonX tutors. This is Eton College's expertise shared online.

EtonX online courses will develop skills for success, empowering students to be confident communicators, great critical thinkers, adaptable, resilient and creative either academically or in the international work environment.
